Declare: Pick the friendly **Vokmortian** in this Regiment of Renown to cast this spell, pick a visible enemy unit within 12" of them to be the target, then make a casting roll of 2D6.

Effect: For the rest of the turn, each time your opponent declares a **FIGHT** ability for the target, unless they spend 1 command point as a reaction, that **FIGHT** ability has no effect.

Designer's Note: *That FIGHT ability does not count as a command.*
