Medic! The first time during each turning point that another friendly **DEATH KORPS** operative would be incapacitated while visible to and within 3" of this operative, you can use this rule, providing neither this nor that operative is within control range of an enemy operative. If you do, that friendly operative isn't incapacitated, has 1 wound remaining and cannot be incapacitated for the remainder of the action. After that action, that friendly operative can immediately perform a free **Dash** action, but must end that move within this operative's control range. Subtract 1 from this and that operative's APL stats until the end of their next activations respectively, and if this rule was used during that friendly operative's activation, that activation ends. DEATH KORPS FACTION RULE

GUARDSMEN ORDERS

The soldiers of the Death Korps of Krieg are unquestioningly loyal to their officers, following barked orders with a speed and efficiency that is the envy of many other regiments.

STRATEGIC GAMBIT and **SUPPORT**. A friendly **DEATH KORPS** **WATCHMASTER** operative can issue a **GUARDSMAN ORDER**. Whenever it does, select one **GUARDSMAN ORDER** for all friendly **DEATH KORPS** operatives within 6" of it to receive.

Whenever a friendly operative receives a **GUARDSMAN ORDER**, apply its rules until the end of the turning point. Operatives cannot benefit from more than one **GUARDSMAN ORDER** at once; they only benefit from the most recent order they received during the turning point.

GUARDSMEN ORDERS OPTIONS ARE PRESENTED ON THEIR OWN CARDS

DEATH KORPS FACTION RULE

GUARDSMEN ORDERS

Take Aim!

Outfitted and trained for attritional infantry combat, the soldiers of Krieg have undertaken endless hours of lasgun drills.

Ranged weapons of operatives that received this order (excluding mortar barrage and remote detonator) have the Ceaseless weapon rule.

Fix Bayonets!

The kind of warfare undertaken by the Death Korps of Krieg requires their troopers to be well versed in close-quarters fighting and trench clearance.

Melee weapons of operatives that received this order have the Ceaseless weapon rule.

DEATH KORPS FACTION RULE

GUARDSMEN ORDERS

Dig In!

Obstinate to the last, the soldiers of Krieg establish defensive positions and hold them with grim determination.

Whenever an operative is shooting a friendly operative that's received this order, if you can retain any cover saves, you can re-roll any of your defence dice results of one result (e.g. results of 2).

Move! Move! Move!

Responding to a barked order from their Watchmaster, the soldiers of Krieg pick up the pace and hustle towards their next objective.

Whenever an operative that's received this order is performing the **Reposition** action, add 1" to its Move stat.

DEATH KORPS STRATEGY PLOY

SIEGE WARFARE

Death Korps infantry are at home in the dreadful grind of siege warfare, repelling their foes with overlapping fields of withering fire.

Friendly **DEATH KORPS** operatives' ranged weapons have the Saturate and Accurate 1 weapon rules.

DEATH KORPS STRATEGY PLOY

TAKE COVER

Used to fighting in the close confines of trenches and tunnels, Krieg soldiers make excellent use of whatever meagre cover they can find.

Whenever an operative is shooting a friendly **DEATH KORPS** operative, if you can retain any cover saves, improve that friendly operative's Save stat by 1.

DEATH KORPS STRATEGY PLOY

CLEAR THE LINE

Should the enemy break through, the soldiers of Krieg are disciplined enough to retain their composure and repel the foe.

Friendly **DEATH KORPS** operatives' melee weapons have the Accurate 1 weapon rule. Whenever a friendly **DEATH KORPS** operative is fighting wholly within your territory, or whenever it's retaliating, its melee weapons also have the Severe weapon rule.

DEATH KORPS STRATEGY PLOY

REGROUP

Even in the confusion of combat, the Death Korps of Krieg retain their focus, returning to formation as they destroy the enemy with accurate las fire.

SUPPORT. Select one friendly **DEATH KORPS** operative that's more than 3" from enemy operatives. Each other friendly **DEATH KORPS** operative within 5" of that operative and not within control range of enemy operatives can immediately perform a free **Dash** action in an order of your choice, but each that does so must end that move closer to that operative. Note that a Comms Device from universal equipment only affects the second distance of this rule.

You cannot use this ploy and the Chronometer faction equipment **STRATEGIC GAMBIT** during the same turning point.

DEATH KORPS FIREFIGHT PLOY

INSPIRATIONAL LEADERSHIP

The greatest officers lead by example, issuing orders with calm precision even as they cut down their foes.

SUPPORT. Use this firefight ploy during a friendly **DEATH KORPS** **WATCHMASTER** or **DEATH KORPS** **CONFIDANT** operative's activation, before or after it performs an action. It issues a **GUARDSMAN ORDER**.

DEATH KORPS FIREFIGHT PLOY

COMBINED ARMS

Precisely coordinated fire is capable of taking down even the most potent of enemies.

Use this firefight ploy after rolling your attack dice for a friendly **DEATH KORPS** operative, if it's shooting an enemy operative that's been shot by another friendly **DEATH KORPS** operative during this turning point. You can re-roll any of your attack dice.

DEATH KORPS FIREFIGHT PLOY

IN LIFE, SHAME

The Cult of Krieg demand sacrifice in the name of the Emperor, so those who are yet to give their lives must atone by achieving ever greater feats upon the battlefield.

Use this firefight ploy when a friendly **DEATH KORPS** operative is activated and given an Engage order. It receives every **GUARDSMAN ORDER**. This takes precedence over the normal rule that operatives cannot benefit from more than one **GUARDSMAN ORDER** at once.

DEATH KORPS FIREFIGHT PLOY

IN DEATH, ATONEMENT

All soldiers of Krieg are destined to die in battle. The Cult of Sacrifice teaches that in death they will earn forgiveness for the sins of their forebears.

Use this firefight ploy when a ready friendly **DEATH KORPS** operative is incapacitated, if it isn't within control range of enemy operatives. Before it's removed from the killzone, it can immediately perform one free action and you can change its order to do so. Note that friendly operative is injured for the duration of that action.

DEATH KORPS FACTION EQUIPMENT

CHRONOMETER

Krieg combat operations are performed to strict schedules. Synchronised chronometers ensure operatives adhere to the time frames laid down by command.

Once per battle **STRATEGIC GAMBIT** in the first or second turning point. Each friendly **DEATH KORPS** operative wholly within your territory can immediately perform a free **Dash** action in an order of your choice, but each that does so must end that move closer to an opponent's drop zone or killzone edge.

You cannot use this **STRATEGIC GAMBIT** and the Regroup strategy ploy during the same turning point.

DEATH KORPS FACTION EQUIPMENT

COMM-BEADS

Vox-casters and receivers allow Death Korps soldiers to remain in contact even as they are separated in the confusion of battle.

Whenever a friendly **DEATH KORPS** **WATCHMASTER** or friendly **DEATH KORPS** **CONFIDANT** operative issues a **GUARDSMAN ORDER**, you can use this rule. If you do, instead of each friendly **DEATH KORPS** operative within 6" of it receiving that order, you can select one friendly **DEATH KORPS** operative to receive that order.

DEATH KORPS: UPDATE LOG

DEATH KORPS OPERATIVES

Grim, fatalistic and utterly uncompromising, the Death Korps of Krieg are famed for their endurance and ability to do battle in the most horrific conditions. Death Korps kill teams are made up of veteran specialists who have seen more fighting than many Astra Militarum soldiers will experience in their entire lifetime.

DEATH KORPS TROOPER

2

These Troopers have a great deal of combat experience, gained over harsh fighting for months or even years. Armed with lasguns and bayonets, they have faced down terrible danger time and time again.

DEATH KORPS WATCHMASTER

Watchmasters command squads of Death Korps in battle. Calm under pressure and unphased by the horrors of war, they are solid combat leaders who will fight tooth and nail to achieve victory as well as see their comrades survive to fight another day.

DEATH KORPS SNIPER

Expert marksmen, their skills honed in the harsh conditions of numerous battlefields, Death Korps Snipers are sharpshooters who specialise in cutting down key enemy troops at extreme ranges – all unseen by the foe.

DEATH KORPS GUNNER

With experience and skills in wielding a whole host of specialist weapons, Death Korps Gunners are called whether a Watchmaster needs a xenos nest burned to nothing, a bunker reduced to melted sludge or to bring down heavy enemy infantry that lasguns are insufficient for.

DEATH KORPS CONFIDANT

Even the best Watchmasters need to call on solid tactical advice – and their Confidants are experts. Experienced troops and capable leaders themselves, they can be trusted to carry out the Watchmaster's orders in the field as well as contribute to the formulation of a solid battle plan.

DEATH KORPS SAPPER

Whether blowing up ammo dumps or cracking open defences, many kill teams need explosives experts. Death Korps Sappers are such troops. Naturally daring, they often have to put themselves in harm's way to plant their remote mines at the optimum point to blow their target into smithereens.

DEATH KORPS ZEALOT

Death Korps Zealots are deeply spiritual warriors, often claiming their survival through the horrifying battlefields they've experienced is only thanks to the direct intervention of the Emperor himself.

DEATH KORPS MEDIC

The efforts of the Medic is all that stands between life and miserable death for the troops of his squad. Equipped with little more than basic medical equipment, they strive to keep their comrades alive in the most hazardous conditions.

DEATH KORPS VOX-OPERATOR

Vox-operators are consummate professionals, accompanying their leaders wherever required whilst carrying heavy equipment, all to receive and transmit communications that are vital for their comrades and superiors to understand the inevitable confusion of battle.

DEATH KORPS BRUISER

For some, war and fighting just agrees with them. Bruisers are such people. They look the galaxy's endless malevolent threats in the eye with a trench club in their hand, ready to bludgeon anything and everything to death.

DEATH KORPS VETERAN

Death Korps Veterans are resilient above and beyond even their peers. These troops are steel in body as well as in mind, with bionics in the place of body parts lost in battle. Despite the horrific wounds they have suffered, they fight on still, unbowed.

DEATH KORPS SPOTTER

To direct battle-winning heavy fire, forward observers form a part of kill teams. Spotters possess great focus, accurately guiding salvos of mortar fire from safe lines even when under immense pressure. With this they can stymie enemy attacks or pin them down in their defences.

'THE ENTIRE 232ND INFANTRY WAS WIPED OUT ON THE TEARFLESH MASSIF YESTERDAY. A GOOD DEATH, THEY WERE DOWN TO THE LAST POWER PACK AND THROWN ROCK. THE STENCH OF ROTTING ORK DEAD COULD BE SMELLED FIFTY MILES AWAY. I BREATHED DEEP OF IT. IT IS THE SMELL OF VICTORY AND REPENTANCE. I CAN ONLY PRAY MY END IS AS GLORIOUS.'
