

KILLZONE: TOMB WORLD UPDATE LOG

Rules will be periodically updated to maintain fair balance and interact more smoothly with the game. Rules changes will be updated directly into online documents and then listed below. Any minor changes to standardise wording that don't have any practical impact on the rule will be updated directly into online documents but not be listed here.

RULES COMMENTARY

AUGUST '26

This section provides clarification on ambiguous and complex rules interactions.

Q: *For the purposes of rules which state an operative "cannot end that move" closer to enemy operatives, dropzones, etc., can I ignore that restriction if the operative teleports?*

A: No.

PREVIOUS ERRATAS

This section collects amendments to the rules. Amended text for clarification and edits are shown in blue, while amended text for balance updates are shown in magenta.

TERRAIN RULES, DESIGNER'S NOTE

Additional text added to end of paragraph:

'Additionally, any relevant errata or rules commentary to Killzone: Gallowdark in the Kill Team Core Book should be applied to this killzone as well.'

TERRAIN RULES, TELEPORT PAD

Additional text added to end of first paragraph:

'An operative cannot teleport more than once per activation.'

TERRAIN RULES, BREACH POINT, BREACH ACTION

Relevant part of second effect deleted:

'[...] can perform this action for 1 less AP (to a minimum of 1AP), but it cannot do so during an activation/counteraction in which it performed the Charge or Shoot action (or vice versa).'

Additional text added to end of condition:

'It cannot perform this action for less than 2AP during an activation/counteraction in which it performed the Charge or Shoot action (or vice versa).'
