

REGIMENT OF RENOWN SAVIOURS OF CINDERFALL

The backstreets and catacombs of the God-King's free cities conceal innumerable threats, from lurking monsters to hidden cults. It is the duty of the Saviours of Cinderfall to root out these horrors with blade and spell, and there are few more effective at this than Hanniver Toll and his companion Armand Callis. Along with a motley retinue of hired blades, these heroes fight a bitter underground war to keep the Cities of Sigmar from sliding into disorder and bloodshed.

Cantankerous, surly and stubborn to a fault, Gotrek is ever travelling across the realms in search of battle. REGIMENT OF RENOWN BIG GRIKK'S KRULESHOTS

Grikk swears that the massive, jagged bolt that buried itself in the back of his boss's Vulcha steed had nothing to do with him. Few believed the treacherous Big Shot, so Grikk quickly took leave of his clan, accompanied by a handful of crossbow-toting lackeys and some grots to drag his beloved killbow across the realms.
