

Exemplary Battles of the Age of Darkness

VOLUME ONE

VERSION 1.0

These documents collect amendments to the rules and present our responses to players' frequently asked questions. As they're revised regularly, each of these documents has a version number; where a version number has a letter, e.g. 1.1a, this means it has had a local amendment, only in that language, to clarify a translation issue or other minor correction. When a document is revised, the version number will be incremented and newly updated entries will be highlighted in **blue**, while entirely new additions will be highlighted in **magenta**.
