

## BRETHREN OF THE BOLT

### FIGHTERS

1. Pater Filius
2. Friar Galvic
3. Scorched Yakob
4. Soror Tazat
5. Acolyte Arcus

Armed with a relic once borne by a Stormcast Eternal and held aloft by his adopted son to bring him closer to Azyr, Pater Filius leads the Brethren of the Bolt with shocking zeal. Each of them - Friar Galvic, Scorched Yakob, Soror Tazat and Acolyte Arcus - was touched by the storm, though not always intentionally. The Brethren worship Sigmar as a bringer of divine lightning, and channel electrical charge from the air into their weapons.

## BRETHREN OF THE BOLT

### ★ INSPIRE

Each friendly fighter starts the game Inspired.

Immediately after an Action step in which a friendly fighter was a conducting fighter, Inspire that fighter.

### UNINSPIRE

Immediately after a friendly fighter's successful Attack, Uninspire that friendly fighter.

### HOLY CAPACITORS

Subtract 1 from the distance between a friendly attacker and their target for each friendly fighter between the attacker and the target. Those friendly fighters are conducting.

⚡ **Fulminating Hymn:** The chants of the Brethren seems to spark holy lightning.

Pick one of the following abilities at the start of the combat phase. While there are two or more friendly fighters, each fighter can use that ability.

**Charged Aura:** Friendly fighters cannot be Flanked.

**Reckless Abandon:** Each time a friendly fighter would be given a Charge token, you can inflict 1 damage on that fighter instead of giving them a Charge token.

**Faithful Dynamos:** Friendly fighter's weapons have Stagger (⚡).

⚡ **Crackling Burst:** Filled with zealous dynamism, the Brethren advance.

Use this in a Power step. Pick a friendly fighter. That fighter Moves. You can only use this ability once per game.

⚡ **Heaven's Charge:** Chanting, the cultists 'share' their electrical boon.

Use this immediately after your Action step. Pick a friendly fighter. Uninspire that fighter, then inflict 1 damage on an adjacent enemy fighter. You can only use this ability once per game.

⚡ **Coruscating Revival:** The kiss of lightning invigorates the brethren.

Use this immediately after your Action step. Pick a friendly fighter that was conducting during that step. Heal that fighter. You can only use this ability once per game.
